

I sending this message to state my opposition to the attempt by the Consumer Bankers Association (CBA) to weaken Indiana's Telephone Privacy Law. We consumers on Indiana's "no-call" list voluntarily requested to be placed on the list because we don't want unsolicited business phone calls regardless of who is calling. To impose the federal "established business relationship" exemption on Indiana consumers would force us to accept a change that we have not requested and do not want.

Thank you for your attention.
